JUNE
2016

What's Happening Under the Sea?

May came and went with a quickness. We had a great celebration for Teacher Appreciation Week, thanks to all of the families that joined in our festivities. Our teachers extend their thank you's for all of the support and appreciation they receive from you everyday!

The summer months are almost here! We have a calendar full of fun summer activities planned. Your calendars are included in this newsletter. Keep them for reference so you don't miss out on the great activities we have planned. We will send out calendars via email again in July in case you don't have your paper copies any longer.

Discovery Isle is the place to be for the ultimate summer experience!

We will be moving everyone to their new classrooms starting in August. Due to the schedule of our Links to Learning Curriculum, children need to remain in their current classrooms to complete their curriculum before moving "up." Class rosters will be decided in the next month, and will be posted in July.

If you have any questions about the transition, please let me know!

Ms. Renee

Miss Renee's Goin' On Vacation

- I will be taking a vacation in June,
and I wanted to let you know ahead of time.
I will be out from June 8-21, 2016.
While I am gone, Miss Jennifer will help hold
down the fort. I am sure you will
hardly notice my absence!

If you need anything, I am ALWAYS available via email. Don't hesitate to reach out to me!

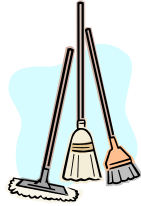

~ Center Closed ~

Just a reminder that the center will be closed Friday, June 24th for our Annual Cleaning Day.

This day is an opportunity for the staff to prepare their classrooms for the next school year.

Although our center is kept clean regularly, our teachers spend this day cleaning their classrooms from the baseboards to the ceiling and everything in between!

Just a reminder, the center will also be closed Friday, June 24th and Monday, July 4th.

Our summer calendars start next month!

We have a lot of fun activities planned for the summer. I wanted to take this opportunity to remind families that splash days require specific clothing items in order for your child to fully participate. Below are a list of items that you may want to start collecting for July & August:

-Water shoes: Each child must have a separate pair of shoes to wear in the water. They are required to have an ankle strap, for safety reasons.

-Towel: Each child will need a beach towel to use for drying off after playing in the water.

-Bathing suit: Each child will be required to wear a bathing suit in the water, as well as have a dry change of clothes for afterwards.

-Swim Diaper: Room 2 requires swim diapers for their children who are in the process of being potty trained, or who are still wearing diapers. These are very important to have on hand!

Keeping a special "Splash Day Backpack" on hand will help keep your items together and ready to go each week!

Class of 2016

Pre-Kindergarten Class of 2016

Discovery Isle is proud to announce their eleventh graduating Pre-K class.

Our graduation ceremonies will be held in Room 5 and Room 6 on Thursday, June 30th at 11 a.m. (Standing Room Only)

The center will provide the children with caps & gowns for graduation.

Graduation Portraits

We will have a photographer in the center on Wednesday, June 15th from 8:30 a.m. - 10:00 a.m. to take graduation portraits of your child in their cap and gown. Pictures are optional.

Order forms will be sent home in your mailbox and payment must be received prior to your child's pictures being taken.

Any child without a prepaid envelope will not have their pictures taken.

(The photographer does offer a 100% money back guarantee- He will refund your money if you are not happy for any reason. Pictures will be available by graduation.)

Emergency Lunches

Do you ever have a morning where you can't seem to get everything together that you need?
Is your child's lunch a forgotten item? We have emergency lunches that you can take advantage of.

For the cost of \$5.00 per lunch your child will receive a well balanced meal that will include
a main course, vegetable, fruit, and a drink.

Please be prepared to pay for your child's lunch that day. Having your lunch bill grow will add up quickly!
Also, if you are arriving to school late- please call the school by 10:30 to order your lunch. We start making
lunches at 10:45 a.m. By calling ahead, it will guarantee your child will receive lunch for that day...thank you!

PLEASE
ALWAYS BE SURE
TO TELL THE
FRONT OFFICE
IF YOUR CHILD
NEEDS LUNCH

THANK YOU

Materials Needed for Bubbles:

- 1/2 cup Dish soap
- 1 1/2 cups Water
- 2 teaspoons Sugar
- Medium sized mixing bowl or cup
- Spoon

Sealed container (jar with lid)

Materials Needed for Bubble Blower:

- 1 Drinking straw (2 if you cut the pop holder into smaller parts)
- 1 six pack pop holder plastic thing (the six ring things that go around the pop cans)
- Scotch tape
- Bowl or pan (to pour bubbles into)

Scissors, optional

How To Make It

Instructions for Bubbles:

1. Mix all 3 ingredients together. Don't stir or shake too much.

Store in a sealed container. Lasts forever (we've always used it up without ever having any trouble with it going bad).

Instructions for the Bubble Blower:

1. Tape the holder to the straw.
2. Pour bubbles into bowl or pan.
3. Dip into bubbles and twirl around. Makes LOTS of BIG bubbles.

You can cut the pop can holder ring thing into two 2's (the middle 2 will be wasted) and make two.
